I have plans on implementing a few new ideas to maybe tweak the program to its fullest ability.

I have completed my Basic Leadership Training for the Coordinator Position. I am currently in my third session of the Christology Level 2 Course and will be finishing by the end of June with the last required course on the New Testament for Level 2 and I will be Level 2 Certified. I will at this point have completed all the required courses for the Coordinator position. At my leisure I plan to take Level 3 and Level 4 for catechist certification and the Next level of Coordinator Courses.

I am now in the process of reviewing the reports given to me from the confirmation students as well as getting the necessary paper work together for the sponsors.

I have also completed entering sacraments in the main book here at OLA and have made the necessary changes to the Family Record Cards and Permanent Record Cards for the Students presently in our program. I have made a list of all sacraments to be recorded in Middletown at OLMC. I have dropped off this paper work to Maureen so they can begin recording this information. I will continue working on the past students from this program during the summer months when Bible Camp is completed.

I am now in the process of getting together and working on Bible Camp.

Respectfully Submitted,

Chris Herschel, CRE
