Following Jesus 101  
Luke 9:51-62

## Today's Scripture

1 Kings 19:16b, 19-21  
Galatians 5:1, 13-18  
Luke 9:51-62

*Words are not enough when it comes to committing ourselves to the mission of Jesus.*

Jesus was hard on people who claimed they wanted to follow Him, but then gave excuses for putting off their commitment. What are we using as an excuse for not giving our all to and for Jesus? What will it mean to our way of life if we do not give our all to and for Him?

## From Fr. Sean

Dear Parishioners,

I want to thank all of you for the warmth and kindness you showed to me as we went through these months of transition together. Despite the unrest caused by the changes at Our Lady of the Assumption Church, I found you to be extremely understanding and patient as we found our way through the difficult planning for the future we have envisioned. And for that, I am extremely grateful. Your generosity of time, talent, and treasure (especially in the Cardinal's Appeal) was, and is, simply outstanding. I was reminded again at our recent Parish Council Meeting on Monday, June 20<sup>th</sup>, that without a shred of doubt, your spirit of volunteerism, and your determined enthusiasm (plus a good deal of prayer, of course) are holding this church together.

It has been a real joy for me to have been so directly involved in the life of Our Lady of the Assumption.

Father Paul Denault's official appointment as Pastor of Our Lady of Mount Carmel Parish begins on July 1<sup>st</sup> although he has been working with me for the past month familiarizing himself with our parish and our missions. I will return to St. Paul's full time. I must mention and thank, as well, Fathers Anthony and Justin, for the incredible help and support they were to me.

I wish all of you, Fathers Anthony and Paul, all of God's choicest blessings as you begin a new chapter. Be sure of my prayers for you, and I beg you to remember me and the people of St. Paul's in your faithful prayers.

Your brother in Christ and Our Lady of Mt. Carmel,

Fr. Sean
