Today's Scripture

Isaiah 50:4c-9a
James 2:14-18
Mark 8:27-35

A theoretical faith without action does no good.

Telling people who are cold and starving that they should keep warm and well fed, while not doing anything to help them, is not what Jesus would have us do. Our good works must be performed to give expression to our faith. Words are cheap; it is actions that count.

Paul tells us that God's love is gratuitous and we can never earn it. However once we experience God's love, we must respond to it through works of faith-filled love.
