Below is brief Pastoral Assistant' s Report for Dec. 10, 2018:

Ecumenical Outreach:

The Greater Middletown Inter Faith Council Warming Station has been providing a warm place to stay this season since November 18. Many thanks to individuals from Our Lady of the Assumption who have provided monetary donations or supplies for the Warming Station.

A big Thank You also to the Mamakating Knights of Columbus for their monetary donation, and I know that some individual members will be serving on an overnight stay or 2 this season.

The Otisville Brass will be performing a concert of Christmas music - both Sacred and secular on Sunday December 16 at 3pm at St John's Lutheran Church in Middletown - all to benefit the Warming Station. There are no tickets - just a free will donation at the door. ALL are invited!

Wishing a Blessed Advent and Blessed, Joyful and Merry Christmas to you and your family.

And thank you for your service on the Council.

God bless you ALL!

Gary
