Below is Pastoral Assistant's report June 10, 2019

### **Adult Faith Formation**

The O.L.A. calendar will be looked at to determine an appropriate date for a Sunday evening potluck dinner/ and screening of the DVD on the Eucharist from Bishop Barron's Catholicism series. A date later in the summer or fall is being considered.

Likewise, a liturgical ministry fair for a weekend after Masses in the summer or fall with participation from each coordinator as well as those in each liturgical ministry. Some of you may recall in years past we had one ministry fair focusing on the liturgical ministries, and at another time we devoted our resources to a ministry fair for all other ministries at O.L.A, both of which were very successful in having parishioners act on their call to ministry.

Since the Lent book study/discussion group was so successful, Fr Anthony and I will have a meeting over the summer regarding another book – this one starting a little before Advent. After the preliminary work with Fr Anthony is completed, (I'm exactly 46% through the book – reading on Kindle), we will present it to Fr. Paul for final approval.

### **Operation Archangel – Safety Committee**

During the summer, when I can take a vacation day during the week, we will coordinate a meeting convenient for Fr. Paul, the Safety Committee, and the Sullivan County Sheriff's Dept. to follow through on what needs to be completed for our safety plan.

God bless you all,

Gary
