Father Paul: Things are happening very rapidly day to day and opening the church is part of whats happening now. Currently we are in the first phase which was private prayer and confessions. We will be going to Phase III which we will have a prayer service and Holy Communion, not a Mass. There will be a limit on how many people can attend 25% of your average total daily attendance which in our case (200) is 50 people. A checklist of Items we will be needing masks, sanitizers, people to clean and Church seat markings as with CDC protocol of 6ft spacing apart.

B.Texter: A mailing will be sent out to parishioners with the following times noted for June 20th and June 21st. Saturday church will be open 4 to 6pm with a prayer service at 5:30pm. Sunday 8:30-10:30 with a Prayer Service at 9:30am

T.Wall: The church will be properly cleaned and sanitized, and seatings will be marked according to a church guide line that Father Paul will forward. Follow up to inform head ushers as to what is going on and new responsibilities, a meeting is to be set up for that.

Closing Prayer: Father Paul
