 - a. Another security camera was added to the parish center.
 - b. Bells and Stars Update: Gifts were distributed to 17 families, 41 children.
 - c. Covid-19 Protocols: A discussion followed on what protocols should be taken if in case the virus is traced back to our church at a given period of time.
 - d. Youth Member Description Report: T.Wall Colby and I reached out to each to share and write down our thoughts on what could be a guide to the responsibilities of a parish Council Youth member. We will eventually set up preliminary written guide that can be used for reference for future candidates.
 - L. New Business: Purification System: S.Osborne
 - a. OLA is looking into purchasing a purification system that will reduce syndrome risks of a building including mold, bacteria and viruses. This system can only be installed in the church at this time.
 - b. Medical Supply Location: S.Schmaus The possibility of creating a medical supply center with medical equipment being donated was brought forth. A discussion followed and it was determined that the Protestant church in Bullville was already an established supply center.
 - M. Final Remarks: F.Paul

As we enter a whole new territory, with Covid, in our conversations we try to do the best thing. We try and take the best direction concerning safety and fairness. Place your trust in God he won't let us down.

Closing Prayer: A.Troy Draft Pending Parish Council Approval
