

2/8/21

PARISH YOUTH REP AND ITS POSITION IN OLA'S PARISH COUNCIL

- 1) You're invited to join our Parish Council for monthly meetings, events and more. During these events and meetings you will learn more about the leadership of our parish.
- 2) Our Council will encourage and enjoy a chance to connect with your ideas and perspectives of our young catholic parishioners.
- 3) You will develop leadership skills through this role and share these talents with the Parish and larger Church, now and in the future.
- 4) We want you to feel free in having open communication with our Pastor and Director of Religious Education, since you are the advisory for the youth of our church. Our church staff will always be available to support and guide you.
- 5) If you want to sponsor social and community service events the Council and OLA staff will be willing to help in any way.
- 6) It is our hope that you can explore and develop ways to help form the youth of our Church to become disciples and leaders of Christ.
- 7) By taking an active role in the Parish Council you already made a positive difference in your Christian life.
