Subject: Pastoral Assistant's Report - May 10, 2021

As I ease back into ministry, my intention is to resume our Eucharistic Ministry to the Sick/ Homebound beginning in June starting with one or two visits to each per month.

Then, I'm looking to the fall to address O.L.A.s needs in Adult Faith Formation after a discussion with Fr. Paul over the summer. A parishioner spoke with me about the possibility of a bereavement group for those who wish, and he would be willing to take on an active role in it, which I appreciate. I've begun looking at possible resources, and in the next few months we can assess how much interest there may be among our parishioners.

I'm looking forward to the time ahead at O.L.A.

God bless you all,

Gary
