

Our Lady of the Assumption
Religious Education Program
September 2021 Parish Council Report

The religious education program is ready to begin on this Tuesday September 14, 2021, at 6:30 pm. The time for classes will remain at one hour as it was last year.

So far there are 44 children enrolled in the program.

I have changed the Level 6, 7, & 8 curriculum to be more focused on discussions regarding the text information given to the student. It is more involved and engaging.

I have also changed the service hour protocol to now include the level 6 children, as Confirmation is now being received in Level 8. This allows the children to obtain their 30-hour requirement for Confirmation

Catechetical Sunday will be held this Saturday September 18th at the 5:30 pm Mass.

Level 7 children will be receiving Rite of Enrollment during class on Tuesday September 28th at 6:45 pm.

The children and catechists will continue to follow safety guidelines as per the Archdiocese regarding the taking of Temperatures, parents filling out the questionnaire, the use of masks during their time in class as well as the sanitizing of hands when needed. Tables will be sanitized after use.

I look forward to another fun filled year!

Respectfully Submitted,

Chris Herschel, CRE
