

Our Lady of the Assumption
Religious Education Program

October 2021

Parish Council Report

The religious education program for the first month into the program is off to a good start.

Thank you, Ted & Collen, for helping again with temperature taking prior to the children entering the building.

Thank you, Father Paul, for a very nice service for Catechetical Sunday which was held on Saturday Sept. 18th at the 5:30pm mass.

I am happy to announce that one of the children in the program (Level 5) has been Baptized and has also received First Holy Communion.

I am also in the process of teaching a young lady who approached Father Nicholas, looking to complete her sacraments.

The First Fire Drill for the year was completed on Tuesday October 5th. A thank you letter was mailed to the Bloomingburg Fire Department, and I have confirmed with Mr. Arnold for the second drill in the Spring.

The Safe Environment Program was also held on Tuesday October 5th and is completed.

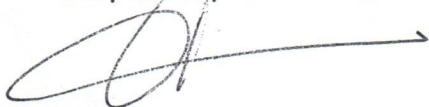

All the perspective reports asked by Sister Kevin John & the Archdioceses have been completed and turned in on time.

The Level 8 Confirmation Class will have their meeting on Tuesday October 26th with their parents.

Confirmation Scheduled to be here at OLA has now been changed to OLMC in Middletown, per Bishop Colacicco. The new Confirmation Date is Friday April 29, 2022. The Level 8 Parents have been notified of this change.

The Archdioceses has sent out to Religious Education Programs a new revised form for the Parents to fill out for the Safe & Sound Protocol. The parents are to fill out one form for the entire year stating that they will take their child's temperature prior to coming to classes. Also, they are to follow the guidelines if their child is sick to keep them home. I will be preparing a cover letter for this form, but I will continue to implement the temperature taking at the car prior to entering the building for the safety and welfare of all concerned.

Respectfully Submitted,

A handwritten signature in black ink, consisting of a large, stylized initial 'D' followed by a horizontal line that ends in an arrowhead pointing to the right.
