+ + + + +

Saint Paul uses the imagery of Jesus being a second Adam in today's passage from First Corinthians. The first Adam, the first human created, is our forefather. He brought sin into the world. We have inherited this (original sin) from him,

The second Adam, Jesus, has brought life into the world. Unlike the first Adam, he was obedient to the command of his Father. While we have inherited our earthly nature and sin from the first Adam, we have inherited our spiritual nature and the hope of eternal life from Jesus.

Grant me wisdom in my mind, more Love  
in my heart, and Patience in my action  
to become more Patient. Amen."*
